Winter in Somerset

February is our mid-winter here in Florida. However, we still can do outdoor projects due to the amazing weather we have had in our new year. Somerset has never looked better thanks to all our homeowners always making improvements to their property.

Please remember to put in an ARC form prior to starting your project.

Architectural Review forms are available at the clubhouse as well as our website. When painting, please be sure to come to the office and look at the approved color book. Exact colors (with color number) that is to be used for the house, trim and/or driveway must be listed on the form along with the current roof color of the home. The committee meets each third Thursday of the month if required. We have a wonderful community here in Somerset. A big thank you to all our residents that have kept our village so beautiful by having their homes freshly painted and neatly landscaped.

Happy February everyone!

It's Diversity That Makes Our Community Special!

During the holidays we are often reminded of the diversity that our world is made up of. People celebrate the holidays according to their separate heritage, traditions, and beliefs. But one of the common denominators that bring

people of different race, religion and custom together is a desire to live in peace, harmony and happiness. It is a desire shared by all and it is best achieved through cooperation, compliance and respect. Our community is sort of like a microcosm of the world. We are made up of people of varying differences, but we are all connected by the fact that we share a community together. And, although we have our differences in opinions, perceptions and desires, we too can benefit through cooperation, compliance and respect for our neighbors. During this holiday season as we celebrate in our own tradition, let's try to hold onto that spirit of unity, harmony and peace that all traditions embrace and apply it to all of our community neighbors....all year long. If we can, we will all benefit

-We are updating our records for the New Year; if you have not provided an email or an updated phone number please contact the office so we can update your records.

As the year starts up things are chilly and bright and settling down. I love this weather, for a while. Pretty soon many of us will be excited to get back in the pool; even though we do have some hearty souls who enjoy the pool year round. About the building - By the time you read this we will have had the windows, inside and out cleaned of the years' accumulated grime. The bocce court will have been refurbished and the bocce season will be underway.

Happy I love Something or Someone Month. Happy Loving Month!

**ANNOUNCEMENTS**

Did you know? We have donated wheelchairs and walkers for any of our residents who have a short time need. Contact the clubhouse for more information.

## From the President

by Ken Benson

Greetings Fellow Williamsburg Neighbors!

The Williamsburg Homeowner's Association Board of Directors hopes everyone had a healthy, happy, and safe holiday season. Here's a summary of our last meeting.

On Tuesday November 29, 2022 at 7:00 pm we held our quarterly Board meeting at Lime Tree Club. A quorum was established with all Directors and one member present. Proof of notice was given in our newsletter in the November issue of the Williamsburg Times and our August 2022 minutes were approved.

I reported having met with Steve Small of HLS Landscaping and Billy Copeland of Duval Landscaping to get bids for mowing and maintaining the landscaping on median #1 and community entrance. Later in the meeting the Board approved the 2023 HLS contract and agreed to hire Billy on an as needed basis. Our Treasurer Jessica Yong presented the financials, which reported a balance of \$5000 and a draft of our proposed 2023 budget of \$9830 to be split evenly between 2463 homes at a monthly cost of 33 cents per home. By our February meeting we hope to have approvals from 6 of the 7 village Boards. The Wingate Board chooses not to participate. We hope that we can convince them to join us.

Our Secretary and Orange County Liaison Donna Finklestein reported that work on the traffic light at Orangewood and Gateway began in January 2023, should be completed by the year's end, and that 2 No U-Turn signs are approved to be installed at the intersections of both Orangewood and Gateway at Central Florida Parkway.

Our last order of business was to ratify our 2023 Board of Directors - President Ken Benson, Vice President Liz Norfolk, Secretary Donna Finklestein, and Treas-

urer Jessica Yong. The meeting adjourned at 8:00 pm. Our next meeting is Tuesday, February 21, 2023 at 7:00 pm at Lime Tree Club, 5303 Gateway Ave. Any Williamsburg homeowner is welcome to attend.

As always, it is our pleasure to serve the Williamsburg community. Thanks for reading.

## Williamsburg Golf Association

Happy New Year! February is promising. The greens currently are looking very good, and the course at Remington is looking great. I love that we have a happy group of golfers showing up every Wednesday to have fun and fellowship. We have new members to celebrate and I encourage all to mention our group to your friends and family and let them know how much fun we have each and every week.

The membership fee to the WGA is \$20.00 yearly. Three rounds of play are necessary to establish a handicap. Once you get your handicap you pay an additional \$5.00 per round for the league play. First place pays \$6.00 per man/woman, per team, Second place pays \$5.00 and Third place pays \$4.00. The fees mentioned above are in addition to your greens fees to Remington Golf Club.

Closest to the pin winners receive \$10 on a Par 3. If you or anyone you know are interested in joining the league please feel free to call or text me (Santiago) at 502-376-2995.

### Closest to the Pin:

Ken McCrae, Charles Bradley, Don Groesbeck, William Flores, Santiago Lopez, Dave Virovatz, Bob Kenyon, Roberto Rivera, Juan Ruiz, Dan Blaske, Jim O'Shaughnessy, Donna Marcontell, Joe Labella, Rita Behnken and Kjell Allanson. New members to mention are as follows: Keith Rizer, Michael Godwin, and Luis Martes. Please welcome them to our group. Thanks again to all who show up happy, and glad to be a member of our group.

## CHOCOLATE, MY DEAR?

Chocolate has been around for about 2000 years, and in that time it has become one of the most popular confections in the world. Chocolate is thought by some to be an aphrodisiac, and it has become a tradition to send chocolates to one's beloved. Following are some chocolate trivia gems and fun facts:

- Chocolate is the best-selling candy by far for Valentine's Day.
- Cocoa was renamed theobroma, "food of the gods," by Swedish scientist Carolus Linnaeus (1707–1778).
- The first book completely about chocolate was Cardenas' *Libro en el cual trata del chocolate*, published in Mexico in 1609.
- Chocolate contains about 300 different compounds.
- Over 20 million Hershey's Kisses are produced every day.
- Americans eat 100 pounds of chocolate every second.
- A bar of dark chocolate has less caffeine than a cup of coffee.
- And according to the Chocolate Manufacturers Association, the U.S. chocolate industry is a principal consumer of many agricultural products. Here's the rundown:
- Sugar. The chocolate industry uses 2.5 billion pounds of sugar annually—that's 7 million pounds a day. That sugar is valued at \$667 million a year.
- Milk and milk products. Seven-hundred forty-nine million pounds a year are used in the chocolate industry. That comes in at \$461 million.
- Peanuts. The industry uses 326 million pounds of peanuts worth more than \$150 million.

## REDUCE YOUR FOOD LABEL CONFUSION

Are you confused by the labels on food products in the grocery store? Products now like to advertise that they are "fat free," "reduced fat" and "low calorie." So what do those terms really mean? The Food and

Drug Administration regulates what foods can contain before they can make label claims. Here are a few FDA label-claims requirements for food manufacturers:

**Free.** This means that a product contains no amount of, or only trivial or "physiologically inconsequential" amounts of one or more of the following components: fat, saturated fat, cholesterol, sodium, sugars and calories. For example, "calorie-free" means fewer than 5 calories per serving, and "sugar-free" and "fat-free" both mean less than 0.5 grams per serving. Synonyms for "free" include "without," "no" and "zero." A synonym for fat-free milk is "skim."  
**Low.** This term can be used on foods that can be eaten frequently without exceeding dietary guidelines for one or more of these components: fat, saturated fat, cholesterol, sodium and calories. Thus, descriptors are as follows:

- Low-fat. 3 grams or less per serving.
- Low-saturated fat. 1 gram or less per serving.
- Low-sodium. 140 milligrams or less per serving.
- Very low sodium. 35 milligrams or less per serving.
- Low cholesterol. 20 milligrams or less and 2 grams or less of saturated fat per serving.
- Low calorie. 40 calories or less per serving.

Synonyms for low are "little," "few," "low source of" and "contains a small amount of."

## Covenants & Restrictions Committee

by *Judee Coyle*

With the cooler weather, February might be a good time to go after weeds and overgrown bushes. Once the holiday decorations come down- you can see the weed and bush growth. We're sure our homeowners will be attentive to both.

Driveway cleaning is still on the list of things that need attention. If you've tried several times to remove black streaks and they reappear - perhaps it's time to stain the driveway. Make sure you get driveway cement stain - colors are in the book in the office! Safest way to go - brown (beige) or gray - depending on shingle roof color!

Thanks for you cooperation.

Hope everyone had a safe and Happy New Year

I have noticed walking my dog at night that some of our streetlights are flickering or out. To keep our neighborhood safe this can be easily fixed. You may call Duke Energy at 1-800-228-8485 and follow the prompts to

request a light repair. This may also be done online at Duke Energy.com, outages, Florida, request light repair, then indicate the address where the light is located. It only takes a few minutes. I have done it several times since I moved to Somerset.

Thank you for your assistance in keeping us all safe and secure.

## From the Bocce Court

by *Fred Munch*

A group of 14 bocce players attended our organizational meeting at the clubhouse on January 10th. It was decided to field 4 teams and have several willing substitutes in the wings. We will play 3 round Robbins over 9 weeks and plan to have several "bring your own" social events. Bocce play will be on Tuesdays starting at 10:00 AM and end approximately at 12:30 PM. Visitors are welcome and we can always use more substitutes. If you think you may like to join us being a sub is a good way to try it out.

No experience is necessary and our primary goal is to have fun. Questions? Call Fred Munch 631-827-2445
